Re: Patrick Alford, et al v. The City of New York.
Docket Number: CV 11-1583

Rodriguez v. The City of New York
Docket Number: CV 10-4661

Dear Judge Gold:

This office represents Patrick Alford, one of the plaintiffs in the above referenced matters.

Regrettably, I must inform the Court that Mr. Alford was the victim of a shooting on Monday, January 16th, 2012. Although it is not clear what exactly happened, it appears that he was shot twice, once in the head and once in the leg, during a home invasion.

Reports of Mr. Alford's condition are somewhat inconsistent. I am advised by members of his family that he is in critical condition and in a coma. Whether he will recover from his injuries, and if so, the extent of his injuries, is still unknown.

It is also my understanding that J.A., who has been in Mr. Alford's care since January, 2010 was present at the time and that she is now in the care of Sharima Bruington, Mr. Alford's live-in girlfriend, through an ACS placement.

A conference call was held with all counsel, in both cases, on Thursday, January 19, 2012 at 3:00pm. The purpose of the conference call was to address discovery issues and I anticipate that you have, or will, receive correspondence from counsel relating to that conference. During the conference counsel was advised of the above.

Obviously, this raises several issues with regard to this case. First, Mr. Alford's present condition precludes him from assisting me in the prosecution of his case. Second, since he is prosecuting his daughter, J.A.'s, case as well as his own, the same issues are raised with regard to her action.

I bring this matter to the Court's attention for disclosure purposes only at this point in time. I am not seeking the appointment of a Guardian for Mr. Alford, as is not yet clear whether he will be incapacitated, either permanently or for an extended period of time, by his injuries. When I have more reliable information I will advise the Court accordingly and may need to seek the appropriate relief at that time, which may include the appointment of a Guardian for Mr. Alford.

Respectfully,

James R. Lambert
